# WHAT ARE CONDIMENTS & SAUCES?

With a focus on innovating the next generation of cleaner-label products, KHI leverages an extensive five-plant asset network to manufacture its product portfolio. The KHI condiments and sauces portfolio is divided into four families:

## 1 TOMATO-BASED

### KETCHUP

Two available options:

**Conventional** (high-fructose corn syrup)

**Simply** (cane sugar)

### TOMATO SAUCE PRODUCTS

Available if contracted by the November before harvest season.

## 2 ENHANCERS

### MAYONNAISE AND SALAD DRESSING

A range of tangy, tart, and slightly sweet mayonnaises (regular, extra-heavy, clean label) and product similar to the iconic MIRACLE WHIP.

### MUSTARD

Leverages the GREY POUPON brand's popular mustard varieties.

**Classic** mustard is more yellow in color, with a smooth texture.

**Country** mustard is more brown in color, with a coarser texture and visible mustard seeds.

## 3 SPECIALTY

### WORCESTERSHIRE SAUCE

A complex marinade sauce with notes of anchovies, chilies, cloves and tamarind.

### A.1. SAUCE

Fruity, piquant, and tangy marinade made from a blend of 11 herbs and spices.

### BBQ SAUCE

Versatile tomato-based sauces with bold and traditional acetic and sweet flavor notes.

### CHILI SAUCE

A zesty sauce seasoned with onions, spices, and garlic. Visible tomato seeds.
